ADA Photography Contest (Rules have changed!)

Please bear with us as we evolve our new ongoing photography contest for 2003. Winners are announced in each MOUTHPIECE and a link provided so the images can be viewed online (in living color). Winners will win raffle tickets (see related article).

In addition, a Yearly Grand Prize Winner will be announced and recognized. Board Members can enter the contests but are not eligible to receive any contest prizes (other than the monthly recognition). There will be 1st and 2nd place winners for each category - if a board member has won, then there will be further winners to the extent non board members have won 1st and 2nd prizes. Judging will be done ultimately by someone with professional experience yet does not participate in the contest.

Five Categories:

- 1) "Film Cameras External Strobe(s) Manual Settings",
- 2) "Film Point and Shoot" - Those without external strobe(s) and manual settings,
- 3) "Digital Cameras - External Strobe(s) Manual Settings",
- 4) "Digital Camera Point & Shoot" - no external strobe(s), and
- 5) "Anything Goes" - be as creative as you can, edit at will.

We contemplate expanding to a Master category for four time winners.

The Rules:

- ? Pictures will be from the 2003 dive season (not prior year(s) pictures),
- ? Pictures will be limited to South Florida Waters or ADA sponsored dives,
- ? Pictures will be limited to two per month per diver per category,
- ? The only editing allowed is overall color balance and sharpening. Please do not otherwise edit, such as, but not limited to - crop, clone, mend, paint, saturate, cut, paste, move, etc. Of course, this last rule does does not apply to the "Anything Goes" category.
- ? Photographers will provide either 1) prints, and/or slides from film cameras, or 2) jpeg files from digital cameras or the "Anything Goes" category.
- ? Prints or slides will only be returned if a Stamped, Self-addressed envelope is provided.
- ? Prints or slides will be scanned for judging and posting to the website.
- ? Send your prints, slides, or digital images on CD to:

J. Nicholas Boyd

One South Ocean Blvd. Ste. 204

Boca Raton. FL 33432

- ? Or e-mail the digital images to: nboyd@oceanlandinc.com (re-size them to 800x600 and as uncompressed as your camera will allow). If you email your pics, follow up with a confirmation e-mail to ensure they got there. Large e-mails sometimes get "lost in the mail".
- ? Include/provide your full name, camera model, category, lighting (name of external strobes, indicate if internal strobe, natural light, etc), special lens, dive site, description of entry, etc - the more information the better.

Email (above) or call (561-416-2099) Nick Boyd with questions.

What Does a Relaxed Diver Look Like?

It's difficult, if not impossible, to think of a time in diving when you should see a diver struggle or hurry. Instead, a relaxed and confident diver:

- ? Sets up gear slowly and methodically, focused on getting it right.
- ? Instead of fighting to don wetsuit or BC, slows down, checks adjustments.
- ? Has exhaust bubbles that are regularly spaced due to proper underwater breathing cycle: exhale-inhale-pause, exhale-inhale-pause.
- ? Folds arms and hands restfully.
- ? Swims in a correct position: head slightly above horizontal, fins slightly below.
- ? Moves seemingly effortlessly by maintaining neutral buoyancy.
- ? Kicks fins slowly and narrowly to maximize efficiency without tiring muscles.
- ? Smiles a lot.

ADA RULES & REGULATIONS

All Members Must be familiar with the following

FOR ALL ADVANCED DIVES (DEPTHS OVER 60') ADA DIVERS MUST:

1. Be current (dive activity within the previous 3 months).
2. Have the approval of an ADA Safety Officer.
3. Have a minimum of 25 logged dives.
4. Carry an alternate air source (octopus), time keeping device and depth gauge.
5. Have previous ADA diving experience.
6. All members must dive with at least a 72 cubic foot tank.

ADA GUIDELINES FOR COMPUTER ASSISTED DIVING

1. Members using dive computers may extend their time underwater ten- (10) minutes beyond the time allowed by the tables.
2. Computer assisted dives must be well within the NO DECOMPRESSION LIMITS.
3. Members should understand and follow the manufacturer's recommendations.
4. If a computer diver is buddyed with a diver using the tables, both must follow the tables.
5. If a buddy-team is using unlike computers, both must follow the more conservative computer.
6. If, in a buddy-team, either computer fails, both divers must terminate the dive.

CANCELLATION AND REFUND POLICY FOR LOCAL DIVE TRIPS

Because of our contractual agreements with our service agents - dive shops and boat captains, we must notify them - usually seven days in advance - of the final number of spaces we are paying for. Thus, if our members cancel less than seven days in advance, we regret that **NO REFUND OR CREDIT** can be given, unless trip cancellation insurance has been purchased at the time of the dive trip payment (see next news article!)

ADA TRIP CANCELLATION INSURANCE

The Board of Directors has approved a unique concept in local diving: **NO FAULT INSURANCE!!**

For an additional \$5.00, per person, per local dive trip, members can eliminate the worry of losing their dive fees because of an unforeseen change of plans.

If, for any reason you are unable to attend a local dive for which you are scheduled and have paid the insurance, ADA will credit your dive fee to another date. *The \$5.00 insurance is non-transferable and non-refundable!*

When you make a reservation, ask for dive trip cancellation insurance. The Board has elected to continue the insurance offer for this year.

NOTE: It may be discontinued at any time without prior written notice.

Please call Lon with your questions and comments.

IMPORTANT MESSAGE FROM THE SAFETY THE SAFETY OFFICERS' COMMITTEE

All members are reminded to read the "Rules & Guidelines for Diving Activities" you received with your membership package. Number 16 states, "All divers must be present for the pre-dive briefing". If the diver is not present for the entire briefing, diving privileges may be revoked for that dive. Please plan to arrive on time - or better yet - a bit early. We thank you and appreciate your cooperation.

Julio, Dan, Robert, Lee and Lon

IMPORTANT WEATHER INFORMATION

Before departing for the dive site, confirm weather condition with Lon or the designated Safety Officer. 4. Ask for details about the trip when you call. Otherwise, details will be given when you call for a weather check. (See "Important Weather Information" this and every issue)
