## DIVE AND EAT FREE

That's right, on our BBQ days you can earn a free dive and free eats. It's easy, just volunteer to be the chef of the day and you go for free.

Here's how it works -

You buy the food and bring to the dive, after which you and the Safety Officer will prepare and serve. The supplies and menu list will be faxed to you a few days prior with an exact list of needed items. Then you submit a receipt and your expenses will be reimbursed. Call Lon for more info and sign up!

## Ten Simple Things You Can Do To Save The Coral Reefs

1. Conserve water - the less water you use, the less runoff and wastewater will pollute our oceans.
2. Use only ecological or organic fertilizers in your gardens and on your lawns. Chemicals and pesticides flow into the water system, pollute the ocean, and can travel on ocean currents at great distances, doing harm to coral reefs and other sea life
3. Plant a Tree - you will reduce runoff into the oceans. You will also contribute to reversing the global warming of our planet and the rising temperatures of our oceans.
4. Organize a beach clean-up. Garbage pollutes ocean waters and harms coral reefs and other sea life.
5. When you visit a coral reef, practice reef safe diving and snorkeling. Do not touch the reef or anchor your boat on the reef.

# ADA Photography Contest (Rules have changed!)

Please bear with us as we evolve our new ongoing photography contest for 2003. Winners are announced in each MOUTHPIECE and a link provided so the images can be viewed online (in living color). Winners will win raffle tickets (see related article).

In addition, a Yearly Grand Prize Winner will be announced and recognized. Board Members can enter the contests but are not eligible to receive any contest prizes (other than the monthly recognition). There will be 1st and 2nd place winners for each category - if a board member has won, then there will be further winners to the extent non board members have won 1st and 2nd prizes. Judging will be done ultimately by someone with professional experience yet does not participate in the contest.

Five Categories:

- 1) "Film Cameras External Strobe(s) Manual Settings",
- 2) "Film Point and Shoot" - Those without external strobe(s) and manual settings,
- 3) "Digital Cameras - External Strobe(s) Manual Settings",
- 4) "Digital Camera Point & Shoot" - no external strobe(s), and
- 5) "Anything Goes" - be as creative as you can, edit at will.

We contemplate expanding to a Master category for four time winners.

The Rules:

- ? Pictures will be from the 2003 dive season (not prior year(s) pictures),
- ? Pictures will be limited to South Florida Waters or ADA sponsored dives,
- ? Pictures will be limited to two per month per diver per category,
- ? The only editing allowed is overall color balance and sharpening. Please do not otherwise edit, such as, but not limited to - crop, clone, mend, paint, saturate, cut, paste, move, etc. Of course, this last rule does does not apply to the "Anything Goes" category.
- ? Photographers will provide either 1) prints, and/or slides from film cameras, or 2) jpeg files from digital cameras or the "Anything Goes" category.
- ? Prints or slides will only be returned if a Stamped, Self-addressed envelope is provided.
- ? Prints or slides will be scanned for judging and posting to the website.
- ? Send your prints, slides, or digital images on CD to:

J. Nicholas Boyd

One South Ocean Blvd. Ste. 204

Boca Raton. FL 33432

- ? Or e-mail the digital images to: [nboyd@oceanlandinc.com](mailto:nboyd@oceanlandinc.com) (re-size them to 800x600 and as uncompressed as your camera will allow). If you email your pics, follow up with a confirmation e-mail to ensure they got there. Large e-mails sometimes get "lost in the mail".
- ? Include/provide your full name, camera model, category, lighting (name of external strobes, indicate if internal strobe, natural light, etc), special lens, dive site, description of entry, etc - the more information the better.

Email (above) or call (561-416-2099) Nick Boyd with questions.

(continued from page 3)

6. Interview your family, friends and neighbors. Ask them what they know about coral reefs and the coral reef crisis. Ask them what they are doing to save coral reefs.
7. Write to your government representatives and demand they take action to protect coral reefs, stop sewage pollution of our oceans, expand marine protected areas and take steps to reverse global warming
8. Support and volunteer for organizations like PCRFF that work to protect coral reefs, oceans, rivers, lakes or other waters in your area. Clean water is important everywhere. All watersheds affect the oceans and eventually, the coral reefs.
9. Learn more about coral reefs, their remarkable biodiversity and the special role they play as messengers for the health of our oceans and our world
10. Build Wastewater Gardens® (ecological waste recycling systems) in your home, school or community.

## ADA RULES & REGULATIONS

All Members Must be familiar with the following

### FOR ALL ADVANCED DIVES (DEPTHS OVER 60') ADA DIVERS MUST:

1. Be current (dive activity within the previous 3 months).
2. Have the approval of an ADA Safety Officer.
3. Have a minimum of 25 logged dives.
4. Carry an alternate air source (octopus), time keeping device and depth gauge.
5. Have previous ADA diving experience.
6. All members must dive with at least a 72 cubic foot tank.

### ADA GUIDELINES FOR COMPUTER ASSISTED DIVING

1. Members using dive computers may extend their time underwater ten- (10) minutes beyond the time allowed by the tables.
2. Computer assisted dives must be well within the NO DECOMPRESSION LIMITS.
3. Members should understand and follow the manufacturer's recommendations.
4. If a computer diver is buddyed with a diver using the tables, both must follow the tables.
5. If a buddy-team is using unlike computers, both must follow the more conservative computer.
6. If, in a buddy-team, either computer fails, both divers must terminate the dive.

## CANCELLATION AND REFUND POLICY FOR LOCAL DIVE TRIPS

Because of our contractual agreements with our service agents - dive shops and boat captains, we must notify them - usually seven days in advance - of the final number of spaces we are paying for. Thus, if our members cancel less than seven days in advance, we regret that **NO REFUND OR CREDIT** can be given, unless trip cancellation insurance has been purchased at the time of the dive trip payment (see next news article!)

### ADA TRIP CANCELLATION INSURANCE

The Board of Directors has approved a unique concept in local diving: **NO FAULT INSURANCE!!**

For an additional \$5.00, per person, per local dive trip, members can eliminate the worry of losing their dive fees because of an unforeseen change of plans.

If, for any reason you are unable to attend a local dive for which you are scheduled and have paid the insurance, ADA will credit your dive fee to another date. *The \$5.00 insurance is non-transferable and non-refundable!*

When you make a reservation, ask for dive trip cancellation insurance. The Board has elected to continue the insurance offer for this year.

NOTE: It may be discontinued at any time without prior written notice.

Please call Lon with your questions and comments.

### IMPORTANT MESSAGE FROM THE SAFETY THE SAFETY OFFICERS' COMMITTEE

All members are reminded to read the "Rules & Guidelines for Diving Activities" you received with your membership package. Number 16 states, "All divers must be present for the pre-dive briefing". If the diver is not present for the entire briefing, diving privileges may be revoked for that dive. Please plan to arrive on time - or better yet - a bit early. We thank you and appreciate your cooperation.

*Julio, Dan, Robert, Lee and Lon*

### IMPORTANT WEATHER INFORMATION

Before departing for the dive site, confirm weather condition with Lon or the designated Safety Officer. It is the responsibility of the member to call; we cannot call you due to the large number of divers involved. For morning dives, call between 6 and 10 p.m. the night before the dive. For afternoon dives, call between 9 and 10 a.m. the morning of the dive.

### HOW TO MAKE DIVE RESERVATIONS

1. Check this newsletter or the annual calendar for upcoming dives.
2. ( Call Lon at (305) 251-4975 to make a reservation. Please do not leave requests on his answering machine, the trip may be full.
3. We will hold your reservation for four (4) days from the date you call. If we do not receive payment within four days, your space may be given to other members. If you wish to confirm receipt, call Lon.
4. Ask for details about the trip when you call. Otherwise, details will be given when you call for a weather check. (See "Important Weather Information" this and every issue)
5. \* Make your check payable to ACTIVE DIVERS ASSOCIATION, not to any individual, and mail to:  
**Lon Von Lintel, 15305 SW 104 Ave., Miami, FL 33157**
6. Itemize dates of dives on bottom-left corner of check.
7. Do not pay for persons other than spouses or other family members. Include their names on check.
8. REMEMBER: That family members must have completed individual documentation to register as ADA members.
