THE THREE R's OF BEING GREEN

ADOPT A SHARK

The RJ Dunlap Marine Conservation program at the U of M Rosenstiel School has developed a shark tagging technique to study bull sharks, tiger sharks, and hammerheads sharks, all by satellite. Shark populations in S. Florida have been on the decline. The Dunlap program hopes to find out why.

You can help.

For a tax deductible \$2000, you can purchase a satellite tag, name your shark, and track it's movements in real time via Google.

ADA COSTA RICA TRIP

Ten lucky divers will be escorted by Dan and Daryl for an extraordinary dive trip to the Pacific coast of Costa Rica. We will stay 4 days and 5 nights at the beautiful Flamingo Beach Resort and Spa in Playa Flamingo, Guanacaste, Costa Rica. There we will enjoy three days of two tank Pacific Ocean drift diving in the pristine waters off the coast.

The cost of the trip is \$769 payable to ADA (Jerry Koza-kowski, treasurer). Airfare is **NOT** included, to allow those the flexibility to use a specific airline or frequent flyer pack-

age. A \$100 non-refundable deposit is required to book the trip (we have already received some deposits!!), and the final payment of \$669 is due May 10, 2012. After this date, all payments are final and NO refunds will be possible. Non-divers may attend for \$514, subject to availability. If you have a preferred roommate, please let us know at the time of booking, otherwise, one will be selected for you.

The resort is approximately a two hour ride from the airport. The group will depart from Daniel Oduber Quiros International Airport (LIR) in Liberia, Guanacaste at 4:00pm on July 19, so be sure that your flight arrives no later than 2:00pm. Schedule your return flight to leave LIR no earlier than 11:00am on July 23. In planning a trip of this nature, there are many variables on flight schedules and rooming arrangements. We will try to accommodate as many permutations as possible.

Lunches and dinners are on your own. The area surrounding the resort has a cornucopia of restaurants to explore and enjoy, so be daring and see what they have to offer. Afternoons are free, so in addition to the diving experience, Costa Rica offers a wide variety of adventure side trips including zip-lining, luxury sunset boat cruises, and ATV trips to fill your time, or you can simply take advantage of the beach and the resort's amenities and chill out. Check out the area and resort on Trip Advisor. It has received many great reviews.

As we get closer to the departure date airfares will change, so now is a good time to start checking them out.

Feel free to contact Dan at 954-260-8225, email dmbaeza@bellsouth.net, or Daryl at 954-591-1161, email diverdayl@bellsouth.net for questions or reservations.

In summary, the trip includes:

1. 5 days / 4 nights of standard rooms at the Flamingo Beach Resort, double occupancy. Single occupancy available for an additional charge.
2. Breakfast daily
3. RT Airport transfers from Daniel Oduber Quiros International Airport (LIR) in Liberia, Guanacaste. [Note: Transfers from Juan Santamaria International Airport in San Jose (SJO) are available for a \$100 additional

Post Dive BBQS

Cost \$10.00 includes-

Grilled hotdogs, hamburgers, chicken, Potato Salad, Coleslaw, chips and fixins. Soda & Beer.

While divers are tending their gear, our chef of the day will be preparing a feast fit for a King/Queen or at least for hungry divers. We invite all divers on the above dates to join us for good outdoor food and telling tall fish tales. Please send \$10 along with the dive fees, you may make one check for both.

DIVE AND EAT FREE

That's right, on our BBQ days you can earn a free dive and free eats. It's easy, just volunteer to be the chef of the day and you go for free.

Here's how it works— You buy the food and bring to the dive, after which you and the Safety Officer will prepare and serve.

The supplies and menu list will be faxed to you a few days prior with an exact list of needed items. Then you submit a receipt and your expenses will be reimbursed. Call Lon for more info and sign up.

ADA KEEPING DIVE COSTS DOWN

1. We do not plan to raise our local dive prices this year.
- 2 We are offering free beach dives this year in the metro area. No need to drive long distances to dives.
3. Our prices are still the lowest in town.

For Now, all ADA dives in 2012 will remain \$49. **Boat Ticket only!** Except the BNP dives which are \$59.

These prices may be changed without notice.

IMPORTANT MESSAGE FROM THE SAFETY OFFICERS' COMMITTEE

All members are reminded to read the "Rules & Guidelines for Diving Activities" you received with your membership package. Number 16 states, "All divers must be present for the pre-dive briefing". If the diver is not present for the entire briefing, diving privileges may be revoked for that dive. Please plan to arrive on time - or better yet - a bit early. We thank you and appreciate your cooperation.

CANCELLATION AND REFUND POLICY FOR LOCAL DIVE TRIPS

Because of our contractual agreements with our service agents - dive shops and boat captains, we must notify them - usually seven days in advance - of the final number of spaces we are paying for. Thus, if our members cancel less than seven days in advance, we regret that *NO REFUND OR CREDIT* can be given, unless trip cancellation insurance has been purchased at the time of the dive trip payment (see next news article!)

ADA TRIP CANCELLATION INSURANCE

The Board of Directors has approved a unique concept in local diving: *NO FAULT INSURANCE!!*

For an additional \$5.00, per person, per local dive trip, members can eliminate the worry of losing their dive fees because of an unforeseen change of plans.

If, for any reason you are unable to attend a local dive for which you are scheduled and have paid the insurance, ADA will credit your dive fee to another date. *The \$5.00 insurance is non-transferable and non-refundable!*

When you make a reservation, ask for dive trip cancellation insur-
